I listened the tanpura, a musical instrument and found the swars are tuned correctly. It is useful for the disciples of music regarding Vocal or Dance in performing their arts on the stage.

I wished them best who assembled this amazing musical instrument

Visitor to Radel from Japan:

It was a wonderful experience for me to visit your company. I was so moved to know your story from your first invention of Shruti Box to recent several products. I really respect your passion to classical music and its contribution. Please tell my appreciation to your wonderful staff. I'm very proud to be one of users of your product.

Thank you so much again, Best regards.
